Foreword

It is fitting that the Uhrichsville High School Echo should reappear, after an interval of two years, in the year which marks the one hundredth anniversary of the founding of Uhrichsville. For a hundred years the town and the school have grown together, and now they celebrate their anniversary together in this book.

The production of this Echo has been made possible by the assistance and encouragement given us by our friends and patrons; we wish especially to express our appreciation to the Board of Education who were so liberal with their support and aid.

This volume of the Echo contains no advertisements; however the names of those who so generously made financial contributions are listed elsewhere in the book, and we take this means of thanking them.

Uhrichsville

A hundred years ago a village, then known as Uhrich's Mills, was laid out on the site of the present city of Uhrichsville. The infant community was dignified by the possession of a post office and a school, where the youth of the settlement learned their three r's. The village was incorporated in 1853 as Uhrichsville, the spelling being modified in 1890 to its present form.

These hundred years have witnessed many changes, not the least of them in the schools. At first a one-room school sufficed, for a time, after a disastrous fire in 1852, there was no school building at all. In 1867, with the election of a school board, the educational program was expanded to such a degree that six teachers were required, in 1874 a twelve-room building, the old Main Street building, was erected on the ground now occupied by the Central High School. At the present time there are three buildings occupied by 1709 pupils, who are instructed by a staff of 47 teachers.

The test was divided into five parts: history, social science, mathematics, English, and science

Football

We feel justified in dedicating this page of the 1933 Echo to the 1931-1932 football team, the only football team representing the Black and Gold that has been able to break the "jinx" and beat New Philadelphia. It was a hard game, but the boys were determined to win, and did. The letter men of that year were:

Varner, full-back	Kilpatrick, guard
Hartman, half-back	Fox, center
Myers, half-back	Stoutt, guard
Orin, half-back	Page, tackle
Herron, quarter-back	Cameron, end
Bricker, half-back	Hooker, half-back
Crouch, end	Long, tackle
Kinsey, tackle	Browning, manager

FOOTBALL SQUAD

Football

The season this year was fairly successful. After much hard practice Coach Query developed a green squad, with only four letter men, into a smooth-running eleven which defeated Bridgeport 12-0 in the first game of the season. the following week the boys journeyed to Mingo Junction, where they won by a 13-0 score.

In the third start the strong Newark team held our boys to a 0-0 tie. On October 14 we avenged the defeat which Millersburg gave us last year by defeating them in a close game.

The fifth game, with Dennison, ended our first defeat, and the strong, undefeated Dover team in the next game forced our boys to take the short end of a long score. The Black and Gold defeated the Trojans of Newcomerstown in the next game, showing better form than they had in the couple preceeding games.

The New Phila Quakers (the "wildcats" until Nov. 14, 1931) managed to come out with the winning end of the score but our boys fought every minute until the final gun. They fought hard, too, in the last game of the season, when Coshocton defeated us 38-0, showing true U. H. S. spirit, although they were outclassed by a heavier team.

The Coshocton game was the final appearance in the Black and Gold uniform for Johnson, Hartman, Creel, Morgan, Page, Fox, Myers, Smith, and Kopp, all good men whom the high school will miss sorely next year.

FOOTBALL VARSITY

Basketball

We are justly proud of our basketball team, the best team U. H. S. has produced for many years, winning fifteen out of 21 games and going to the finals in the Eastern Ohio District Tournament. We attribute the success of this season to Coach Query and to the scrappiest bunch of players who have ever worn the Black and Gold.

The most important games of the regular schedule were with county teams. Dennison fell twice before our boys, while we defeated Phila once, and lost once by one point.

Eastern Ohio District Tournament

This was the high light of the basketball season, when the team reached the final game by defeating Zanesville, Toronto, and East Liverpool, surpassing in tournament play any previous U. H. S. team.

In the first game, with Zanesville, the defending champs, our boys outplayed them and won by the score of 30-25. Next came Toronto, another mighty team, and again we won by a 30-25 count. The clash between the highly touted East Liverpool team and our boys furnished one of the biggest thrills of the whole tournament, when we won by one point, 28-27.

In the final game, with Dover, we lost 32-26. Throughout the game the lead changed several times, and it was not decided until the final minute of play. The boys played hard, clean basketball throughout the season, especially in the tournament, as a result of which U. H. S. placed two men on the all tournament team, Hartman and Smythe. Miller made the second team, while Ben Westhater was given honorable mention.

Reserves

In addition to having a good varsity this year, we had also a very good reserve team. After a poor start they got their stride, with eight wins in fifteen starts. Their best game of the season was their first encounter with New Phila, when they ran away with their opponents.

BASKETBALL SQUAD

BASKETBALL TEAM

1. TRACY HARTMAN—Guard

"One of the best all round athletes ever in U. H. S.", was said about "Hap", as a result of the twelve letters he has made in four years. He made the all tournament team this year, an act that speaks for itself. Next year's team will miss him.

2. DORWIN MYERS—Guard

Although "Dorie" was unable to play the second semester, he was one of the mainstays of the team the first semester. His four years of varsity play will make him greatly missed next year.

3. JOE SMYTHE—Center

"The best center U. H. S. has had for a long time", was said about Joe. His play in the tournament was so good as to give him a berth on the all tournament team. He will be a valuable asset to the varsity next year.

4. ROBERT MILLER—Forward

One of the scrappiest in this year's team was Bob. When there was a free ball he usually got it, and he also made his share of points. He was awarded a place on the second all tournament team. He graduates this spring.

5. BEN WESTHAFFER—Guard

In his first year of basketball Ben played well in all games and received honorable mention for the all tournament team. His best game was against Dennison, when he scored more than half the points. Ben is a junior.

6 JOHN BROWN—Forward

Playing his first year of varsity, Johnnie showed up well. He could play any position with ease. This is Johnnie's last year.

7. NOILE WESTHAFFER—Forward

Like his cousin Ben, "Hank" was right there with the goods it takes to make a basketball player. He has another year in which to distinguish himself.

8. ADRIAN MORGAN—Forward

This was "Gummy's" first year with the varsity. When he was in he was always fighting to the utmost. He graduates this spring.

9. BILL MELLOR—Manager

Bill has been manager for four years, and to him goes much of the credit for keeping the boys and the equipment in shape. In addition, this year Bill played on the reserve basketball team.

W. B. QUERY—Coach

The success, morale, and spirit of a team are reflected from the coach. Coach Query, in his first year in U. H. S., has produced clean, fighting teams, and he may look forward to continued good fortune in his athletic groups.

Track 1932

In 1932, as in previous years, U. H. S. had a strong track team to represent the Black and Gold.

Uhrichsville, in the first meet of the season at New Concord, took first place with 63 points. Newark made $54\frac{1}{2}$, and Cambridge $41\frac{1}{2}$.

The following week U. H. S. easily won a four-cornered meet with Cambridge, Dennison, and Midvale. The scores were: U. H. S. 88, Cambridge $70\frac{1}{2}$; Dennison $50\frac{1}{2}$; Midvale 4.

On May 7, we lost a dual meet to Millersburg by a 70-57 score, this was the first dual meet a U. H. S. team ever lost.

The next Saturday the boys avenged the Millersburg defeat by winning a dual meet with Dennison 74-53.

On May 21, the annual Eastern Ohio District meet was held at New Concord, in which U. H. S. took second place with $72\frac{1}{2}$ points. Although the boys were beaten by Bellaire, they made a remarkable showing and are hoping to win the 1933 meet. Other scores of the meet were Bellaire $86\frac{1}{2}$, Cambridge 40, Steubenville 23 and Coshocton 17.

"Doone" Myers was the high point man of the meet with 13 points, taking first place in the 440, second in the 220, and third in the 100 yard dashes.
